

# Wanted: Gently Used Sports Equipment

My name is Harvey Nossen and I am almost 13. I am currently on the journey to becoming a Bar Mitzvah. As part of this special opportunity, I am completing a mitzvah project. For this mitzvah project, I am collecting used sports equipment for the Kids with Dreams Foundation. The Kids with Dreams Foundation is a non-profit organization based out of Maple Shade NJ. Their mission is to distribute equipment to younger athletes, so no one should be denied the opportunity to play sports. I will be holding a drive from 9 am to noon on Sunday, May 7th, at 47 Broadacre Drive, Mount Laurel NJ. If you are unable to make it during these hours and would like to set up a drop-off, please contact me at [hnossen@icloud.com](mailto:hnossen@icloud.com). Any sports equipment in fairly good condition will be accepted. Thank you for your help and support.
