

NOAH'S MITZVAH PROJECT

A bar mitzvah is a very special occasion, and the mitzvah project is an opportunity to live Jewish values of repairing the world and showing compassion for others. Becoming Bar Mitzvah symbolizes becoming an adult within the Jewish community, and taking on responsibilities to that community. My Mitzvah Project is a way for me to express a unique way that will actively help to improve our community.

As my friends and family know, I love sports and play soccer, football, and lacrosse for my community teams. For my project, I wanted to make sure that all kids get to play sports even though equipment can be expensive. I would like to encourage all those in my community to donate any gently used sports equipment. Once I've gathered it all, it will be donated to All Kids Should Play, so we can empower those who are more fortunate to provide the gift of sports equipment to those less fortunate. I am so excited to help all kids play sports and have fun!

To contribute, please drop off equipment at Adath Emanu-el: 205 Elbo Lane Mount Laurel, NJ 08054
